SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In order to comply with 37 C.F.R. §§1.97 and 1.98, attached hereto is
a copy of Form PTO/SB/08A and copies of the documents listed thereon.

In accordance with MPEP §§609 and 707.05(b), it is requested that
each document cited (including any cited in applicant's specification which is not
repeated on the attached Form PTO/SB/08A) be given thorough consideration and
that it be cited of record in the prosecution history of the present application by

initialing Form PTO/SB/08A next to the document. Such initialing is requested even if the Examiner does not consider a cited document to be sufficiently pertinent to use in a rejection, or otherwise does not consider it to be prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with. This is requested so that each document becomes listed on the face of the patent issuing on the present application.

Applicants submit that each item of information listed herein was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Supplemental Information Disclosure Statement. Applicants submit therefore, that no additional fee is necessary. However, the Commissioner is authorized to charge any additional fees up to \$2,000 required in connection with this Supplemental Information Disclosure Statement to Deposit Account No. 04-0100.

The present Supplemental Information Disclosure Statement is being submitted in compliance with 37 C.F.R. §1.56, but the citation of such document is not to be construed as an admission that such document is necessarily relevant or prior art. No representation is intended that the cited documents represent the results of a complete search, and it is anticipated that the Examiner, in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 C.F.R. §1.104(a) and in the course of each search, will review for relevance every document cited on the attached form even if not initialed.

Early and favorable consideration is earnestly solicited.

Respectfully submitted,

Dated: December 3, 2003
